

REMARKS

An inconsistency was found between the drawings and the Brief Description of the Drawings in the specification. The Applicant has amended the specification to add reference to the two drawings, FIG. 11F and FIG. 11G, included in the Application but not referenced in the Brief Description of the Drawings.

The Applicant also edited the specification where FIGS. 11A-11E should have been FIGS. 11A-11G.

As Applicant presently has not yet made payment of the Issue Fee and no new matter is added by this Amendment, it is respectfully submitted that the foregoing amendment is proper subject matter for this Section 312 Amendment.

The Commissioner is hereby authorized to charge any insufficiency of payment of the necessary fees associated with this communication, or credit any overpayment, to Deposit Account No. 23-2426 in the name of Winstead Sechrest & Minick P.C.

Applicants respectfully request that the Office Action call Applicant's attorney at the below listed number if the Office Action believes that such a discussion would be helpful in resolving any remaining problems.

Respectfully submitted,

WINSTEAD SECHREST & MINICK P.C.

Patent Agent for Applicant
